

Kseibi Rubber Cased Metric/Imperial Tape Measure

Built for everyday measuring

Kseibi

Highlights

- Rubber shell helps protect the casing in daily use
- Steel tape construction for dependable measuring
- Available in multiple lengths and widths
- Orange and black case is easy to spot
- Compact design fits comfortably in the hand
- Selected versions include metric/imperial white blade
- Selected sizes include a silver belt clip
- Selected sizes include a black polyester lanyard
- Suitable for site, workshop, and home projects
- Designed for repeated everyday measuring tasks

Key Features

- Rubber Protective Shell — The rubber outer shell helps shield the tape measure casing from everyday knocks while also providing a more secure grip in hand.
- Steel Tape Blade — A steel tape blade gives the tool the strength and rigidity needed for regular measuring work across a wide range of tasks.
- Multiple Size Options — Choose from 3 x 16, 5 x 19, 5 x 25, 7.5 x 25, and 10 x 25 to match the type of work and reach you need.
- Metric and Imperial Readings — Selected variants use a white blade with metric and imperial graduations, making the tape practical for mixed-unit measuring jobs.
- Carry-Friendly Details — Selected variants include a silver clip and black polyester lanyard so the tape is easier to keep close at hand during work.
