

Kseibi Trade Paint Brush

Trade brush performance for everyday decorating

Kseibi

Highlights

- Trade paint brush for decorating and general coating work
- Available in 1in, 2in, 3in and 4in sizes
- 70% tapered filament and 30% white hog bristle blend
- Fine hollow tapered filaments support smooth application
- 44 mm bristle length for practical everyday use
- 15 mm bristle thickness for a full working profile
- Chrome-plated ferrule adds durability and secure bristle hold
- Orange plastic handle offers a comfortable grip
- Handle includes hanging hole for easy storage
- Suitable for trim, edges and larger painted surfaces

Key Features

- Mixed bristle head — Combines 70% white bristle-coloured fine hollow tapered filament with 30% white hog bristle for balanced paint pickup and release.
- Trade-ready brush profile — With a 44 mm bristle length and 15 mm thickness, the brush is set up for dependable everyday decorating tasks.
- Chrome-plated ferrule — The chrome-plated ferrule helps keep the brush head secure while standing up to repeated use.
- Comfortable plastic handle — The orange plastic handle is shaped for control in the hand and is easy to keep clean after use.
- Useful size range — Choose from 1 inch 25 mm, 2 inch 50 mm, 3 inch 75 mm and 4 inch 100 mm sizes to suit detailed or broader work.
