

Kseibi Trade Professional Paint Brush

Trade brush control for every decorating job

Kseibi

Highlights

- Available in 6 sizes from 1 inch to 4 inch
- Black bristles for general paint application
- Plastic handle in orange, gray and black
- Shaped handle supports comfortable control
- Ideal for trim, edges and wider surfaces
- Choose smaller sizes for detail and cutting-in
- Choose larger sizes for faster coverage
- Metal ferrule helps secure the bristles
- Hanging hole allows easy storage
- Suitable for trade and home decorating tasks

Key Features

- Size range for different tasks — Available in 1 inch, 1.5 inch, 2 inch, 2.5 inch, 3 inch and 4 inch sizes so you can choose precise control or wider coverage.
- Black bristle fill — Fitted with black bristles for practical, general-purpose paint application across common decorating jobs.
- Comfortable plastic handle — The orange, gray and black plastic handle is shaped for a secure, comfortable grip during longer painting sessions.
- Steady working control — The brush shape supports guided strokes for edging, cutting-in and controlled coverage on flat sections.
- Easy to store — A hanging hole in the handle makes it simple to keep the brush stored and accessible between tasks.
