

KSEIBI Phillips Screwdriver with Magnetic Tip

Magnetic control for everyday fastening

Kseibi

Highlights

- CR-V construction for dependable daily use
- Chrome-plated shaft helps resist surface wear
- Black finish magnetic tip helps hold screws
- Two-color handle with orange coating and black TPR
- Comfort-grip design supports better control
- Available in PH#0, PH#1, PH#2 and PH#3 sizes
- Shaft lengths available from 75mm to 200mm
- Useful for assembly, repairs and maintenance
- Handle end includes a hanging hole for storage
- Supplied in hanging card packing

Key Features

- CR-V Shaft Construction — Made from CR-V material for reliable strength and everyday durability across routine fastening tasks.
- Magnetic Phillips Tip — The black finish magnetic tip helps keep screws in place for easier starts and improved control.
- Chrome-Plated Finish — A chrome-plated shaft provides a clean, professional look and added surface protection.
- Comfort Two-Color Handle — The orange and black plastic-coated handle with black TPR is shaped for a steadier, more comfortable grip.
- Useful Size Range — Choose from PH#0 to PH#3 with lengths from 75mm to 200mm to suit compact spaces or deeper reach.
