

KSEIBI Plastic Tool Box

Simple, sturdy storage for everyday tools

Kseibi

Highlights

- Rigid plastic tool box for everyday storage and transport
- Integrated top handle for comfortable carrying
- Twin front latches help keep contents secure
- Available in 13in, 16.5in and 19in sizes
- Wide-opening design for easy tool access
- Suitable for home, garage, workshop or site use
- Hard shell helps protect tools from knocks
- High-visibility orange handle and catches
- Practical choice for hand tools and fixings
- Compact, portable format for grab-and-go use

Key Features

- Hard Plastic Construction — Made from rigid plastic for a durable storage solution that stands up to routine transport and everyday use.
- Integrated Carry Handle — The moulded top handle makes it easy to lift, carry and move your tools wherever the job takes you.
- Secure Front Latches — Twin front catches help keep the lid closed and your stored tools contained while on the move.
- Three Size Options — Available in 13 inch, 16.5 inch and 19 inch versions, so you can match the box to your tool kit.
- Everyday Tool Organisation — Ideal for storing and transporting common hand tools, accessories and fixings in one portable box.
