- Suitable for workshop, assembly and maintenance work
- Lightweight feel for comfortable daily wear
- Available in sizes #8, #9 and #10
- Smooth coated palm area shown for confident handling
- Trusted Kseibi workwear essential

Key Features

- Polyurethane Construction — Built with a polyurethane feature for practical everyday work use and reliable handling performance.
- Comfortable Close Fit — The glove profile is shaped for a snug, flexible fit that helps maintain comfort and control during routine tasks.
- Secure Knit Cuff — A knit-style wrist cuff helps the glove stay in place and gives a neat, comfortable finish around the wrist.
- Ready for General Work — Well suited to handling, assembly, maintenance, warehouse and workshop tasks where dexterity is important.
- Three Size Options — Available in sizes #8, #9 and #10 so you can choose the fit that best matches your hand.
