

Kseibi Ratchet Tie Down Strap

Reliable load restraint, size to suit

Kseibi

Highlights

- Durable polyester webbing strap
- Ratchet mechanism for controlled tightening
- Hook ends for quick attachment
- Available in 25mm x 5M, 40mm x 6M and 50mm x 9M
- Load capacities from 135daN to 2500daN
- Galvanized ratchet on listed variants
- Suitable for transport, storage and moving tasks
- Orange stitching detail for a work-ready finish
- Designed to help keep cargo stable in transit
- Choose the strap size to match your load

Key Features

- Polyester Webbing Construction — Made from polyester webbing for a durable strap body suited to regular load securing tasks.
- Ratchet Tensioning — The ratchet mechanism helps you tighten the strap with control for a firm, dependable hold.
- Hook End Fittings — Hook ends shown in the image make it easier to connect the strap to anchor points quickly.
- Multiple Sizes Available — Choose from 25mm x 5M, 40mm x 6M and 50mm x 9M options to suit different applications.
- Variant-Based Load Capacity — Available capacities range from 135daN to 2500daN depending on the selected strap size.
