

Kseibi Steel Toe Safety Work Boots

Built for the job, ready for the shift

Kseibi

Highlights

- Cow split leather upper for durable workwear use
- Steel toe cap helps protect against impact
- Steel midsole adds underfoot protection
- PU sole for practical everyday jobsite wear
- Mid-cut boot design for supportive coverage
- Lace-up fit with metal hooks and eyelets
- Textured black leather upper with white stitching
- Orange lining adds visible contrast inside
- Suitable for site, workshop and warehouse work
- Available in sizes 36/230 to 48/290

Key Features

- Protective Toe Cap — Built with a steel toe cap to provide essential front-foot protection in demanding work environments.
- Steel Midsole — The steel midsole adds a layer of underfoot protection for worksites where sharp hazards may be present.
- Cow Split Leather Upper — The upper is made from cow split leather for a durable, work-ready construction suited to repeated daily use.
- PU Sole Construction — A PU sole supports everyday comfort and durability for regular movement across typical work surfaces.
- Wide Size Range — Offered in sizes from 36/230 to 48/290, making it easier to find the right fit for individual users or teams.
