

Kseibi T-Handle Spark Plug Wrench

Built for quick spark plug service

Kseibi

Highlights

- High quality tool steel construction
- Chrome-plated surface finish
- Orange plastic-coated T-handle
- Designed for spark plug removal and fitting
- Available in 16 mm and 21 mm sizes
- T-handle offers balanced turning leverage
- Deep socket shape suits spark plug access
- Spring section aids handling and positioning
- Suitable for garage and workshop maintenance
- Supplied in hanging card packing

Key Features

- High Quality Tool Steel — Made from high quality tool steel for dependable strength during repeated spark plug servicing.
- Chrome-Plated Finish — Chrome-plated surface helps protect the wrench and gives it a clean, professional look.
- Plastic-Coated T-Handle — The orange plastic-coated handle provides a comfortable grip and better control while turning.
- Spark Plug Service Design — Deep socket form and T-handle layout are suited to removing and installing spark plugs.
- Two Size Options — Available in 16 mm and 21 mm variants so you can select the correct fit for your application.
