

Kseibi Zeus Magnetic Spirit Level with 3 Vials

Three vials, fast alignment

Kseibi

Highlights

- Magnetic design helps hold to metal surfaces
- Three vials for horizontal, vertical and angle checks
- Aluminum alloy body balances strength and manageable weight
- Bright orange body is easy to spot on site
- Integrated handholds support comfortable control
- Suitable for fitting, framing and installation tasks
- Straight profile for reliable everyday alignment work
- Black end caps add protection at the ends
- Available in multiple lengths to suit different jobs
- Designed for workshop, maintenance and construction use

Key Features

- Three-vial layout — Includes three viewing vials so you can check level, plumb and angled positioning with one tool.
- Magnetic support — Magnetic functionality helps the level stay in place on metal surfaces for easier setup and checking.
- Aluminum alloy construction — The body is made from aluminum alloy for a practical mix of durability and everyday handling comfort.
- Easy-to-spot body — The orange finish stands out clearly in busy work areas, helping you find your tool quickly.
- Choice of lengths — Available in several sizes so you can match the level to compact indoor jobs or broader layout work.
