

KSEIBI Spirit Level with 2 Vials

Simple, accurate leveling for everyday jobs

Kseibi

Highlights

- 2-vial design for level and plumb checks
- Aluminium body for lightweight handling
- Suitable for measuring and marking tasks
- High-visibility orange vial surrounds
- Straight beam style for easy positioning
- Available in 30cm, 50cm, 60cm, 80cm and 100cm
- Useful for shelving, framing and cabinet fitting
- Compact and longer sizes for varied jobs
- Easy-read vials help speed up alignment
- Ideal for DIY, workshop and site use

Key Features

- Two-vial layout — Provides dedicated horizontal and vertical reference points for fast alignment work.
- Aluminium construction — Lightweight metal body is easy to carry, position and use across regular jobs.
- High-visibility details — Orange end caps and vial frames stand out clearly for quick tool identification.
- Multiple size options — Available in 30cm, 50cm, 60cm, 80cm and 100cm lengths to match different tasks.
- Versatile application — Well suited to installation, layout, renovation and general measuring and marking work.
