

Kseibi Plastic Spring Clamp with Orange Foot Pads

Quick grip for everyday holding tasks

Kseibi

Highlights

- Plastic spring clamp for quick, easy holding
- Black body with bright orange foot pads
- Suitable for workshop, DIY and craft tasks
- One-handed operation for faster positioning
- Textured handle helps improve grip
- Jaw design helps hold varied workpiece shapes
- Available in 4", 6" and 9" sizes
- 3" 75 mm option also listed in the range
- Hang hole in handle for easy storage
- Ideal for gluing, positioning and light assembly

Key Features

- Quick Spring Action — Opens and closes quickly for fast clamping during setup, gluing and positioning tasks.
- Lightweight Plastic Build — Plastic construction keeps the clamp easy to handle and convenient for repeated everyday use.
- Padded Contact Points — Orange foot pads provide a practical contact surface where the clamp meets the workpiece.
- Textured Grip Handle — The handle surface shown in the image helps give a steadier, more comfortable grip in use.
- Multiple Size Options — Choose from the available range to suit different materials and workspace requirements.
