Key Features

- Folding steel frame — Steel construction with a painted finish gives this ladder a practical balance of everyday durability and easy handling.
- Choice of ladder heights — Available in 2-step, 3-step, 4-step and 5-step options, so you can match the ladder to the job and storage space.
- Wide tread design — The image shows broad black steps that help provide a more secure, comfortable footing during repeated climbs.
- Padded support handle — A curved top handle with visible cushioning offers an extra point of contact for climbing confidence and control.
- Ready for daily tasks — Well suited to decorating, cleaning, stock access and general maintenance where quick setup and compact storage matter.
