

KSEIBI Tile Leveling System Clips, 200-Piece

Consistent tile spacing made simple

Kseibi

Highlights

- Plastic tile leveling clips for wall and floor tiling
- Helps maintain consistent grout joint spacing
- Supports flatter alignment between adjacent tiles
- Available in 1.0mm to 5.0mm size options
- 200 pieces per pack for project-ready quantity
- Suitable for a range of tile installation jobs
- Broad clip base shown for stable tile positioning
- Molded size marking visible on the clip body
- Simple option for cleaner, more uniform results
- KSEIBI tiling accessory for controlled installation

Key Features

- Multiple joint sizes — Available in 1.0mm, 1.5mm, 2.0mm, 3.0mm, 4.0mm and 5.0mm options to match your tiling layout.
- 200-piece pack — Each variant includes 200 clips, giving you a practical pack size for installation planning.
- Plastic construction — Made from plastic for a lightweight, jobsite-friendly tiling accessory.
- Designed for consistent spacing — Helps keep grout joints even and supports more uniform tile placement during fitting.
- Easy size identification — The clip body shows the size marking, making it easier to confirm the selected spacing on site.
