

# Kseibi Water Pump Slip Joint Pliers with PVC-Coated Handle

Reliable grip for everyday adjustment jobs

Kseibi

## Highlights

- ❑ Made from high quality tool steel
- ❑ Polished surface for a clean, durable finish
- ❑ Slip joint design for adjustable gripping
- ❑ Serrated jaws help hold parts securely
- ❑ PVC-coated handles for added comfort
- ❑ Orange and black two-color handle design
- ❑ Suitable for plumbing and general maintenance
- ❑ Available in 10 inch 250 mm and 12 inch 300 mm
- ❑ Long handles support controlled operation
- ❑ Supplied in hanging card packing

## Key Features

- ❑ High Quality Tool Steel — Constructed from high quality tool steel for dependable strength in regular gripping and adjustment tasks.
- ❑ Polished Working Surface — The polished surface gives the pliers a clean finish suited to workshop, site and maintenance use.
- ❑ Adjustable Slip Joint Design — The slip joint mechanism allows the jaws to adapt to different workpiece sizes for versatile day-to-day use.
- ❑ Comfort-Coated Handles — Orange and black plastic-coated handles provide a more comfortable, controlled grip during repeated use.
- ❑ Two Practical Sizes — Choose from 10 inch 250 mm or 12 inch 300 mm to match your preferred balance of access, reach and handling.
