

KSEIBI 10-Piece HSS-R Metal Drill Bit Set with Plastic Case

Essential metric sizes for everyday metal drilling

Kseibi · 598010

Highlights

- 10-piece metal drill bit set for common drilling tasks
- Includes sizes from 1.0 mm to 10.0 mm
- Made from HSS-R #4241 steel
- DIN338 rolled twist drill design
- Suitable for general metal drilling
- White-finish bits for a clean, uniform look
- Plastic case keeps bits organised and protected
- Sizes stored in ascending order for quick selection
- Compact set for workshop, site or garage use
- Flip-open case makes access and storage easy

Key Features

- Complete 10-piece size range — Covers sizes from 1.0 mm to 10.0 mm, giving you a practical spread for everyday drilling jobs.
- HSS-R #4241 material — Manufactured from HSS-R #4241 for dependable performance in routine metal drilling applications.
- DIN338 twist drill format — Built to DIN338 specifications with a rolled twist drill design for general-purpose use.
- Organised plastic storage case — Supplied in a plastic case that keeps each bit in place, protected and easy to find.
- Clear size-by-size layout — Bits are arranged in order, helping you select the right diameter quickly and store it back neatly.
