

Kseibi 25-Piece HSS-G M2 Metal Drill Bit Set in Iron Case

Complete metal drilling range in one iron case

Kseibi · 598060

Highlights

- 25-piece drill bit set for metalworking tasks
- Covers sizes from 1-13 mm
- Made from HSS-G M2 material
- Supplied in a durable iron storage case
- Organised layout for quick size selection
- Suitable for workshop and maintenance use
- Keeps bits protected during storage and transport
- Practical range for general fabrication jobs
- Compact case helps keep your kit together
- Easy to identify and return each bit after use

Key Features

- 25-piece size range — Includes 25 drill bits covering 1-13 mm, giving you a useful spread of sizes for everyday drilling jobs.
- HSS-G M2 construction — Made from HSS-G M2 material for dependable performance in metal drilling applications.
- Iron storage case — Comes in an iron box that helps protect the set and keeps all pieces stored together.
- Clearly organised layout — Bits are arranged by size in the case for faster selection and easier put-back after use.
- Workshop-ready convenience — Well suited to maintenance, fabrication and general workshop tasks where multiple drill sizes are needed.
