

KSEIBI 8-Piece Brad Point Wood Drill Bit Set 3-10mm

Clean starts for accurate wood drilling

Kseibi · 598130

Highlights

- 8-piece wood drill bit set for clean, accurate drilling
- Includes 3, 4, 5, 6, 7, 8, 9 and 10mm sizes
- Brad point tips help reduce wandering on wood surfaces
- Made from high quality tool steel
- Black-oxide surface finish for dependable use
- Polished black finish for a clean professional look
- Round shank fits compatible drill chucks
- Ideal for timber, boards and woodworking tasks
- Plastic case keeps bits organised and protected
- Useful size range for pilot holes and general drilling

Key Features

- Brad Point Accuracy — Brad point tips help the bit start where you place it for controlled, precise drilling in wood.
- Useful 8-Piece Range — Covers common drilling sizes from 3mm to 10mm for everyday woodworking and fitting tasks.
- High Quality Tool Steel — Constructed from high quality tool steel for reliable performance across repeated wood drilling jobs.
- Black-Oxide Polished Finish — The black-oxide, polished finish gives the bits a durable, clean-looking surface.
- Organised Plastic Case — Supplied in a plastic storage case that keeps each bit size visible, sorted and easy to carry.
