

KSEIBI 8-Piece Masonry Drill Bit Set with Plastic Case

Core masonry sizes in one compact case

Kseibi · 598175

Highlights

- 8-piece masonry drill bit set
- Includes sizes 3, 4, 5, 6, 7, 8, 9 and 10 mm
- Made from high quality tool steel
- Galvanized surface finish
- Triangular handle supports a steadier chuck grip
- Compact plastic case keeps bits organized
- Size markings are visible on the holder
- Useful range for common fixing and anchor work
- Easy to store in a toolbox or van
- Convenient all-in-one set for trade and DIY tasks

Key Features

- Complete 8-piece size range — Covers 3 to 10 mm with 8 commonly used masonry bit sizes in one set for everyday drilling jobs.
- High quality tool steel — Made from high quality tool steel for dependable strength and durability in regular use.
- Triangular handle — The triangular handle helps the bit sit more securely in the chuck for controlled drilling.
- Galvanized finish — A galvanized surface finish adds protection and helps the set stand up to workshop and site use.
- Plastic storage case — Supplied in a compact plastic case that keeps each bit organized, protected and easy to access.
