

KSEIBI Impact Step Drill Bit Set, HSS Black Finish

Fast step drilling in one compact set

Kseibi · 598240

Highlights

- 5-piece set for versatile step drilling tasks
- HSS construction with black finish
- Impact-ready shanks shown for driver compatibility
- Progressive stepped design for multiple hole sizes
- Clear size markings visible on the bits
- Helps reduce repeated bit changes
- Suitable for workshop and onsite use
- Supplied in a fitted storage case
- Compact set for easy transport and organisation
- Practical choice for installers and maintenance work

Key Features

- 5-Piece Set — Supplied as a 5-piece set, giving you a practical range of step drill bits for everyday drilling and enlargement work.
- HSS Black Finish — Made from HSS with a black finish, combining durable material selection with a protective surface treatment.
- Impact-Ready Design — The bits shown feature impact-style hex shanks for secure fitting in compatible drills and impact drivers.
- Multi-Size Stepped Profile — Each bit features a stepped body so you can move through hole sizes progressively with better control.
- Organised Storage — Delivered in a dedicated case shown in the image, helping keep the set protected, tidy and ready for transport.
