

Kseibi 3-Piece Drill Cleaning Brush Set with 1/4" Hex Shank

Power-driven scrubbing made simple

Kseibi · 663230

Highlights

- 3-piece cleaning brush set for drill-powered scrubbing
- Chrome-plated 1/4" quick-change shank for fast fitting
- Three brush shapes for varied cleaning tasks
- Helps reduce effort compared with hand scrubbing
- Useful for surface prep and general clean-up jobs
- Orange bristles are easy to spot in the toolbox
- Black base gives a sturdy, practical build
- Designed for quick brush changes between tasks
- Suitable for reaching broad areas and tighter spots
- Ideal for home, garage and workshop cleaning

Key Features

- 3-Piece Brush Set — Includes three different brush shapes so you can tackle a variety of cleaning jobs with the brush style that best suits the surface.
- 1/4" Quick-Change Shank — Each brush is fitted with a chrome-plated 1/4" hex quick-change shank for fast, secure connection to a compatible drill.
- Faster Cleaning Workflow — Turns your drill into a powered scrubbing tool to help speed up repetitive cleaning and surface preparation tasks.
- Versatile Brush Profiles — The mixed brush designs make it easier to clean wider sections, edges and more detailed areas without relying on one shape alone.
- Workshop-Ready Design — Orange bristles with a black base give the set a practical, easy-to-identify look for home, garage and decorating use.
