

Kseibi 20V Cordless Reciprocating Saw Bare Unit

Cordless cutting power for wood and metal

Kseibi · 710224

Highlights

- 20V cordless reciprocating saw for mobile cutting
- Variable blade speed from 0-3800/min
- 25 mm stroke length for efficient cutting action
- Cuts wood up to 80 mm
- Cuts metal up to 10 mm
- Bare unit supplied without battery or charger
- Compact body suited to tight work areas
- Front shoe helps steady the saw on the workpiece
- Trigger handle supports controlled operation
- Ideal for renovation, repair and site work

Key Features

- Cordless 20V freedom — Work without a mains cable and move easily between rooms, outdoor tasks and jobsite locations.
- Variable cutting speed — Blade speed of 0-3800/min gives you better control for different materials and cutting conditions.
- Productive 25 mm stroke — The 25 mm stroke length helps the blade clear material efficiently for faster, more effective cuts.
- Wood and metal capability — Rated to cut up to 80 mm in wood and 10 mm in metal for versatile day-to-day trade and DIY tasks.
- Bare unit format — Supplied without battery or charger, ideal if you already use compatible Kseibi 20V batteries.
