

KSEIBI 550W 13mm Impact Drill

Corded drilling power with impact action

Kseibi · 710805

Highlights

- 550W motor for dependable corded drilling power
- 13mm keyed chuck grips bits securely
- Variable no-load speed up to 0-2700 rpm
- Impact rate up to 0-47600 /min for masonry tasks
- Auxiliary side handle improves control and stability
- Depth stop helps achieve repeatable drilling depth
- Corded design delivers continuous working power
- Textured grip supports comfortable handling
- Suitable for drilling in wood, metal and masonry
- Includes chuck key and visible spare carbon brushes

Key Features

- 550W corded motor — Provides steady power for regular drilling and impact drilling jobs without the interruptions of battery charging.
- 13mm keyed chuck — Designed to hold a wide range of standard drill bits securely for confident drilling across common applications.
- Variable speed performance — No-load speed up to 0-2700 rpm helps you match the tool response to the material and task at hand.
- Impact drilling function — Maximum impact rate of 0-47600 /min adds the hammering action needed for tougher drilling jobs such as masonry.
- Added control accessories — The side handle and depth stop help improve handling, balance and consistency during repetitive or precise drilling work.

Specifications

Chuck type	Keyed
Auxiliary handle	Yes
Depth stop	Yes
Power source	Corded electric

Specifications by Variant

Specification	710805
Input voltage	220-240/50-60Hz
Input	550 W
No-load speed	0-2700 rpm.
Maximum impact rate	0-47600 /min
Chuck Capacity	13 mm
