

KSEIBI 900W 13mm Keyed Impact Drill

900W corded drilling power with impact action

Kseibi · 710815

Highlights

- 900W motor for dependable corded performance
- 13mm keyed chuck for secure bit holding
- Variable no-load speed up to 2800 rpm
- Impact action up to 44800/min for masonry work
- 220-240V, 50-60Hz power input
- Side handle helps improve control and stability
- Depth rod supports consistent drilling depth
- Pistol-grip design for comfortable handling
- Suitable for workshop, site, and home projects
- Includes chuck key shown in the image

Key Features

- 900W Corded Motor — Delivers steady mains-powered performance for routine drilling and tougher impact drilling tasks.
- 13mm Keyed Chuck — Provides secure bit retention, helping reduce slippage when drilling demanding materials.
- Variable Speed Control — Offers no-load speed up to 2800 rpm for better control across different bit sizes and materials.
- Impact Drilling Function — Produces up to 44800 impacts per minute for effective drilling into masonry and other hard surfaces.
- Supportive Side Handle — The auxiliary handle and depth rod help improve control, balance, and drilling consistency.

Specifications

Chuck type	Keyed
Power source	Corded
Included accessories	Side handle, depth rod, chuck key

Specifications by Variant

Specification	710815
Input voltage	220-240/50-60Hz
Input	900 W
No-load speed	0-2800 rpm.
Maximum impact rate	0-44800 /min
Chuck Capacity	13 mm
