

Kseibi 580W 13mm Keyless Impact Drill

Corded power for drilling and impact tasks

Kseibi · 710825

Highlights

- 580W motor for dependable corded drilling power
- 13mm keyless chuck enables quick bit changes
- No-load speed up to 2300 rpm
- Impact rate up to 36800 per minute
- Side handle helps improve control and stability
- Forward and reverse control for added versatility
- Compact body for easier handling in tight spaces
- Suitable for wood, metal and masonry drilling
- Textured grip supports comfortable use
- Corded design delivers consistent performance

Key Features

- 580W Corded Motor — Provides steady drilling performance for regular workshop, maintenance and jobsite tasks without relying on battery charge.
- 13mm Keyless Chuck — Makes bit changes faster and simpler, helping you switch accessories quickly during multi-step work.
- Impact Drilling Action — Delivers up to 36800 impacts per minute to assist when drilling into harder materials such as masonry.
- Variable Speed Capability — Runs up to 2300 rpm no-load, giving you the control needed for different materials and drilling applications.
- Auxiliary Side Handle — Supports firmer two-handed handling for improved balance, guidance and confidence while drilling.

Specifications by Variant

Specification	710825
Input voltage	220-240/50-60Hz
Input	580 W
No-load speed	0-2300 rpm.

Maximum impact rate	0-36800 /min
Chuck Capacity	13 mm
