

KSEIBI 1050W 13mm Keyless Impact Drill

Corded power for drilling and impact jobs

Kseibi · 710840

Highlights

- 1050W corded motor for consistent drilling power
- 13mm keyless chuck for quick, tool-free bit changes
- No-load speed up to 2800 rpm for versatile drilling
- Impact rate up to 44800/min for masonry applications
- Auxiliary side handle helps improve control
- Depth stop rod supports repeatable drilling depth
- Pistol-grip design for comfortable handling
- Suitable for drilling and hammer drilling tasks
- Runs on 220-240V, 50-60Hz mains power
- Supplied in a hard carry case for storage and transport

Key Features

- 1050W Corded Performance — Delivers steady mains-powered output for demanding drilling and impact drilling work without battery interruptions.
- 13mm Keyless Chuck — Makes bit changes fast and convenient, helping you switch accessories quickly and keep jobs moving.
- High Speed and Impact Rate — With up to 2800 rpm and 44800 impacts per minute, it is equipped for efficient drilling in a range of materials.
- Added Control on the Job — The auxiliary side handle and depth stop shown help improve stability, leverage and drilling consistency.
- Portable Storage Solution — Includes a hard carry case as shown, helping protect the tool and keep it easier to transport and store.

Specifications

Included accessory	Depth stop rod
Included storage	Hard carry case

Specifications by Variant

Specification	710840
Input voltage	220-240/50-60Hz
Input	1050 W
No-load speed	0-2800 rpm.
Maximum impact rate	0-44800 /min
Chuck Capacity	13 mm
