

Kseibi KSR 500-6 V 500W Drywall Screwdriver

Fast, controlled drywall fastening

Kseibi · 711000

Highlights

- 500W motor for reliable corded fastening power
- No-load speed of 0-2500 rpm for fast screwdriving
- Handles screws up to 6 mm capacity
- 6.35 mm hex drive for secure bit connection
- Corded 220-240V, 50-60Hz operation
- Textured grip areas help maintain control
- Compact front end supports accurate driving
- Suitable for drywall and interior fit-out work
- Designed for repetitive fastening applications
- Pistol-grip body for familiar handling

Key Features

- 500W corded performance — Delivers steady mains-powered performance for longer jobs without battery charging interruptions.
- 0-2500 rpm speed range — High no-load speed supports quick, efficient screwdriving across repetitive fastening tasks.
- 6 mm screw capacity — Built to handle screws up to 6 mm, making it suitable for drywall and general fixing work.
- 6.35 mm hex drive — The hex drive provides secure bit engagement and dependable transfer of power to the fastener.
- Comfort-focused handling — A pistol-grip body with textured handle surfaces helps improve comfort and control during extended use.
