

Kseibi 710W 82mm Electric Planer

Fast, clean planing with reliable corded power

Kseibi · 713205

Highlights

- 710W corded electric planer for consistent performance
- 16500 rpm no-load speed for fast material removal
- 82mm planing width covers boards efficiently
- Up to 2mm planing depth for controlled cutting
- 7mm rabbeting depth for added woodworking versatility
- Dust collection bag helps keep the workspace cleaner
- Guide fence supports straighter, more accurate passes
- Front adjustment knob aids depth control
- Compact body shape helps handling and manoeuvrability
- Suitable for smoothing, trimming and fitting timber

Key Features

- High-Speed Planing Action — A no-load speed of 16500 rpm helps remove material quickly for efficient smoothing, sizing and surface preparation.
- Practical 82mm Cutting Width — The 82mm planing width gives good coverage across timber surfaces, helping you complete passes faster.
- Controlled Depth Capacity — With a 2mm planing depth, the tool is suited to everyday adjustment, trimming and finish preparation work.
- Rabbeting Capability — A rabbeting depth of 7mm adds flexibility for rebate work and other woodworking tasks that need stepped cuts.
- Work-Ready Accessories — The pictured dust bag and guide fence support cleaner operation and improved guidance during repetitive or straight cuts.

Specifications

Dust collection bag included Yes

Guide fence included	Yes
