

Kseibi 1400W 185mm Circular Saw

Power through straight and bevel cuts

Kseibi · 713805

Highlights

- 1400W circular saw for general cutting tasks
- 185 mm saw blade for versatile jobsite use
- 4500 rpm no-load speed for efficient cutting
- Cuts up to 65 mm at 90°
- Cuts up to 43 mm at 45°
- Bevel cutting capability for angled work
- Metal base plate helps support stable cuts
- Front and rear handles aid control
- Dust outlet visible for cleaner working
- Corded 220-240V power for consistent output

Key Features

- Strong corded performance — With 1400W input power and 220-240/50-60Hz operation, this circular saw delivers dependable cutting performance for regular workshop and site use.
- 185 mm blade capacity — The Ø185 mm blade size offers a practical balance of reach, handling and versatility for boards, sheet materials and general timber cutting.
- Fast cutting action — A 4500 rpm no-load speed helps the saw maintain productive cutting pace for clean, confident progress through common materials.
- Depth for everyday applications — With a sawing capacity of 65 mm at 90°, this saw is well suited to a broad range of straight cross cuts and rip cuts.
- Bevel cutting function — The 45° sawing capacity of 43 mm gives you the flexibility to tackle angled cuts for fitting, trimming and joinery-related tasks.

Specifications

Branding on tool	KSEIBI
Visible blade marking (in)	24

Specifications by Variant

Specification	713805
Input voltage	220-240/50-60Hz
No-load speed	4500 rpm.
Feature	Saw blade Ø185 mm
Sawing capacity at 90°	65 mm
Sawing capacity at 45°	43 mm
