

Kseibi KBL 400 Electric Blower 400W

Focused airflow for fast clean-up

Kseibi · 714805

Highlights

- 400W motor for everyday cleaning tasks
- 16000 rpm no-load speed for strong airflow
- Long nozzle helps target tight spaces
- Corded design delivers consistent power
- Suitable for workshop, garage, and home use
- Compact body is easy to position
- Air volume rated at 2.2
- Designed for dust and light debris clearing
- Molded handle shape supports controlled use
- Runs on 220-240V, 50-60Hz supply

Key Features

- 400W Cleaning Power — Provides practical blowing performance for routine dust and debris removal around workspaces and household areas.
- High No-Load Speed — With 16000 rpm no-load speed, the blower creates fast airflow to clear surfaces and awkward corners efficiently.
- Long Precision Nozzle — The extended nozzle helps direct air exactly where you need it, improving control in narrow or hard-to-reach spots.
- Reliable Corded Operation — Designed for 220-240V, 50-60Hz input, it offers steady power without waiting for batteries to recharge.
- Compact, Work-Ready Design — The compact housing and handle layout shown make it easy to maneuver for regular workshop, garage, and home clean-up.

Specifications

Branding on housing	KSEIBI
Nozzle style	Long ribbed nozzle
