

KSEIBI GEN 900 0.65/0.7kW Gasoline Generator

Compact portable power for light-duty jobs

Kseibi · 716850

Highlights

- 0.65kW rated AC output for light-duty power needs
- 0.7kW maximum output for short peak demand
- 230V/50Hz AC supply for compatible equipment
- 63cc 2-stroke single-cylinder engine
- Recoil start for simple manual starting
- 4L fuel tank for fewer refill interruptions
- Compact frame for easier transport and storage
- Integrated top handle for convenient carrying
- Stable footed base helps secure placement
- Front-mounted controls for straightforward operation

Key Features

- Compact portable design — The small framed layout with integrated carry handle makes the generator easier to move, position and store.
- Light-duty AC output — Provides 0.65kW rated output and 0.7kW maximum output for compatible low-demand power applications.
- 63cc 2-stroke engine — The single-cylinder gasoline engine delivers practical portable power in a simple, compact format.
- Easy recoil starting — Recoil start ignition keeps operation straightforward, with a familiar pull-start setup for quick use.
- 4L fuel tank capacity — A 4 litre tank supports longer operation between refills, helping reduce interruptions during use.

Specifications by Variant

Specification	716850
Rated/Max.A.C.output	0.65 kW/0.7 kW
A.C.Frequency	230 V/50Hz
Engine Type	2 stroke; single cylinder

Ignition	Recoil start
Displacement	63cc
Fuel Tank Capacity	4 L
