

Kseibi KGI 2000 Petrol Inverter Generator

1.8/2.0kW

Compact power, ready to go

Kseibi · 716860

Highlights

- 1.8kW rated AC output with 2.0kW maximum output
- 79cc 4-stroke single-cylinder petrol engine
- Compact inverter generator for portable power needs
- Recoil start for simple, familiar operation
- 4L fuel tank for fewer refuelling stops
- 230V/50Hz AC frequency specification
- Integrated top handle for easier carrying
- Enclosed housing helps protect internal components
- Front control panel keeps outlets and controls accessible
- Suitable for work, backup and outdoor use

Key Features

- Portable inverter format — Compact body with an integrated top handle makes the generator easier to carry, position and store.
- Useful output for essential power — Delivers 1.8kW rated AC output and 2.0kW maximum output for practical day-to-day portable power tasks.
- 79cc 4-stroke engine — Single-cylinder 4-stroke petrol engine provides dependable mechanical simplicity for regular use.
- Straightforward recoil starting — Recoil start ignition offers a simple and familiar way to get the generator running when needed.
- 4L fuel capacity — The 4-litre fuel tank supports longer running between refills, helping reduce interruptions on the job.

Specifications

Branding	KSEIBI
Body style	Enclosed portable kopnyc with top carry handle

Specifications by Variant

Specification	716860
Rated/Max.A.C.output	1.8 kW/2.0 kW
A.C.Frequency	230 V/50Hz
Engine Type	4 stroke; single cylinder
Ignition	Recoil start
Displacement	79cc
Fuel Tank Capacity	4 L
