

Kseibi KGI 5500 E Gasoline Inverter Generator

Stable portable power, ready to move

Kseibi · 716875

Highlights

- 5.0 kW rated output with 5.5 kW max A.C. output
- Inverter generator for stable portable power delivery
- 230 V/50Hz output for compatible tools and equipment
- 223cc 4 stroke single cylinder gasoline engine
- Recoil, electric and remote start options
- 11 L fuel tank for longer operating periods
- Enclosed cabinet helps protect internal components
- Integrated wheels for easier transport
- Built-in handles support lifting and positioning
- Covered outlets add front-panel protection

Key Features

- Inverter power delivery — Designed to provide stable portable power for compatible equipment, tools and essential applications.
- Strong usable output — Delivers 5.0 kW rated output with 5.5 kW maximum A.C. output for demanding portable power needs.
- Flexible starting options — Choose recoil, electric or remote start to suit different environments and user preferences.
- Portable enclosed design — The enclosed cabinet helps protect internal parts while giving the generator a tidy, transportable form.
- Made to move — Integrated wheels and handles help you transport, position and store the generator more easily.

Specifications

Outlet covers	Yes
