

# Kseibi 52cc Gasoline Brush Cutter

Power through thick grass and overgrowth

Kseibi · 717520

## Highlights

- 52 cc engine for cutting heavy grass and weeds
- 6500 /min rotation speed for efficient clearing
- 1200 ml fuel tank supports longer work sessions
- 1650 mm pole length for extended reach
- 28 mm pole diameter for a sturdy shaft feel
- Gasoline-powered for cord-free outdoor use
- Bike-style handle helps balanced control
- Protective cutting guard helps manage debris
- Suitable for gardens, land edges and rough growth
- Ideal for property maintenance and vegetation clearing

## Key Features

- 52cc gasoline engine — Delivers the power needed for demanding trimming and brush clearing jobs in dense grass and overgrown areas.
- Fast cutting speed — With a rotation speed of 6500 /min, it supports efficient progress across wide areas and stubborn vegetation.
- Extended reach shaft — The 1650 mm pole length helps you cover more ground and reach awkward spots with less repositioning.
- Large fuel capacity — A 1200 ml fuel tank allows longer operating periods before refilling, helping maintain productivity.
- Controlled handling setup — The visible bike-style handle and guard design support steadier handling and more confident operation in open areas.
