Key Features

- Steel Construction — Made from steel for a robust storage solution suited to protecting important everyday items.
- Code and Dial Lock — Combines a keypad code entry system with a dial-style control for straightforward, repeat-use access.
- Compact Footprint — At 250 x 350 x 250 mm, it offers useful storage capacity without taking up excessive room.
- Versatile Storage Use — Well suited to securing documents, cash, keys and other small valuables in domestic or business settings.
- Discreet Professional Design — The black finish and clean front layout help it blend easily into offices, shops and home interiors.
