

Kseibi ABS Tape Dispenser

Fast, controlled tape application

Kseibi · 882200

Highlights

- ABS plastic body for durable everyday use
- Pistol-grip handle supports comfortable control
- Designed for sealing boxes and parcels
- Two-tone orange and black body is easy to spot
- Compact frame keeps tape handling straightforward
- Manual dispenser for simple, reliable operation
- Helps apply tape smoothly across carton surfaces
- Suitable for home, office and warehouse packing
- Good choice for shipping, storage and moving tasks
- Work-ready Kseibi design with visible tape roll mount

Key Features

- **ABS Plastic Construction** — Made from ABS plastic to provide a practical mix of durability and everyday usability for regular packing tasks.
- **Comfortable Grip Handle** — The pistol-style handle is shaped for a secure hold, helping you guide tape with better control while sealing cartons.
- **Packing and Sealing Use** — Well suited to applying packing tape to boxes, parcels and storage cartons in home, office or workshop settings.
- **Two-Tone Body** — The orange and black finish gives the dispenser a clear, professional look that is easy to identify during busy packing work.
- **Simple Manual Operation** — A straightforward manual format makes it easy to load, handle and use for day-to-day packaging and dispatch jobs.
