

Kseibi Strapping Cart with 40mm Core

Mobile strapping made simple

Kseibi • 882355

Highlights

- Designed for strapping rolls with a 40mm core
- Mobile wheeled cart for easy movement around the workspace
- Sturdy metal frame built for regular site or warehouse use
- Enclosed reel design helps hold the roll securely
- Upright handle offers comfortable push and pull control
- Integrated top tray keeps small accessories close by
- Black finish gives a clean, professional look
- Compact vertical design helps save floor space
- Helps keep strapping organised and accessible
- Suitable for packing, shipping and storage areas

Key Features

- **40mm Core Compatibility** — Built to hold strapping rolls with a 40mm core for a secure, practical fit.
- **Mobile Cart Design** — The wheeled frame and tall handle make it easier to transport strapping between work areas.
- **Durable Metal Construction** — Made with a robust metal frame and reel to support everyday use in busy environments.
- **Accessory Storage Tray** — A tray mounted near the handle provides handy space for keeping related items nearby.
- **Organised Dispensing Setup** — Keeps the strapping roll mounted, tidy and easier to manage during packing and bundling tasks.
