

Kseibi 6' x 4' Galvanized Steel Outdoor Storage Shed

Compact metal storage for everyday outdoor essentials

Kseibi · 905115

Highlights

- 6' x 4' size suits compact gardens, patios and side areas
- Galvanized steel construction for durable outdoor storage
- Ideal for tools, garden gear and household overflow
- Double sliding doors help maximize front access
- Gable roof design helps shed rain and debris
- Integrated vents support airflow inside the shed
- Vertical panel design gives a clean, practical look
- Compact footprint helps save outdoor space
- Flat-pack format for easier delivery and handling
- Designed for everyday outdoor storage use

Key Features

- Galvanized Steel Build — Constructed from galvanized steel for a durable storage solution suited to outdoor use.
- Compact 6' x 4' Footprint — Offers practical storage capacity while fitting comfortably into smaller outdoor spaces.
- Double Sliding Door Access — Front double doors make it easier to load and retrieve tools, equipment and bulky items.
- Ventilated Gable Design — The gable roof and visible vent openings help promote airflow and a more practical storage environment.
- Flat-Pack Convenience — Supplied in flat-pack form for more manageable transport, delivery and site handling.
