

Kseibi 4-Shelf Steel Storage Rack 1000 x 600 x 2000mm White

Strong steel storage for organized spaces

Kseibi · 906103

Highlights

- Steel frame and shelves for dependable everyday storage
- 4-layer design helps separate tools, parts and supplies
- 1000 x 600 x 2000mm size maximizes vertical space
- Open shelving keeps contents visible and accessible
- White finish gives a clean, professional appearance
- Freestanding rack suits workshops, garages and stockrooms
- Diagonal side bracing adds structural support
- Perforated uprights shown for secure shelf positioning
- Ideal for organizing boxes, equipment and utility items
- Helps reduce clutter and improve workspace efficiency

Key Features

- Steel Storage Construction — Made with a steel frame and steel shelves for reliable everyday organization in working environments.
- Four Shelf Levels — The 4-layer layout gives you dedicated space to separate tools, supplies, boxes and stored equipment.
- Space-Efficient Footprint — With a 1000 x 600 x 2000mm size, the rack offers generous vertical storage without spreading too wide.
- Open Access Design — Open shelves make it easy to see, reach and arrange stored items for faster day-to-day use.
- Reinforced Rack Form — The image shows diagonal bracing and sturdy uprights that help maintain structure and stability.
