

Kseibi 4-Tier Steel Freestanding Storage Shelf 2000 x 600 x 2500mm White

Strong steel shelving for organised storage

Kseibi · 906166

Highlights

- Steel freestanding storage shelf for workshop or stockroom use
- 4-tier layout helps organise tools, boxes and supplies
- White powder-coated finish for a clean professional look
- Open shelf design keeps stored items visible and accessible
- Large 2000 x 600 x 2500 size maximises vertical storage
- Rigid frame with side bracing for dependable everyday use
- Suitable for garages, utility rooms and commercial spaces
- Full-width shelves provide generous storage area
- Freestanding design supports flexible room placement
- Helps keep busy spaces tidy and easy to manage

Key Features

- **Steel Construction** — Made with a steel frame and steel shelves for reliable storage in demanding work and utility environments.
- **4-Tier Storage** — Four shelf levels help separate equipment, supplies and frequently used items for faster organisation.
- **Freestanding Format** — The freestanding design makes it easy to position in garages, workshops, stockrooms and other storage areas.
- **White Powder-Coated Finish** — The white coated finish gives the shelf a clean appearance that suits professional and utility spaces alike.
- **Large Footprint** — Sized at 2000 x 600 x 2500, this unit offers substantial storage capacity while making effective use of height.
