

Kseibi Folding 3-Shelf Steel Push Cart - Black, 46 x 30 x 77 cm

Three shelves, one smart space-saving cart

Kseibi · 917121

Highlights

- Three-shelf design keeps tools and supplies organised
- Foldable construction saves space between jobs
- Steel build offers dependable everyday durability
- Compact 46 x 30 x 77 cm size fits tight spaces
- Smooth-rolling castors make movement easy
- Raised shelf edges help keep items in place
- Open design gives quick visibility of stored contents
- Ideal for workshops, garages, utility rooms and offices
- Black finish delivers a clean, practical look
- Useful for tools, parts, cleaning items and craft supplies

Key Features

- Foldable Space-Saving Design — The cart folds for easier storage, making it a practical choice for smaller work areas or occasional use.
- Three Practical Storage Shelves — Three tiers let you organise tools, consumables and supplies separately for quicker access and a tidier workflow.
- Steel Construction — Made from steel for reliable everyday use in home, workshop and utility settings.
- Easy Mobility — Mounted on castors, the cart can be pushed from one area to another with less lifting and fewer repeat trips.
- Compact Working Footprint — At 46 x 30 x 77 cm, it offers useful vertical storage while taking up minimal floor space.
