

Kseibi 3-Tier Folding Steel Utility Cart - White, 46 x 30 x 77 cm

Fold, roll and organise with ease

Kseibi · 917126

Highlights

- 3-tier design helps separate tools, supplies and accessories
- Steel construction for practical everyday use
- Folding frame supports easier storage when not in use
- Swivel casters make the cart easy to move
- Deep tray shelves help keep contents contained
- Compact 46 x 30 cm footprint suits tighter spaces
- 77 cm height offers easy access to stored items
- White finish gives a clean, versatile look
- Useful for workshops, garages, offices and home storage
- Open design keeps contents visible and within reach

Key Features

- Three-tier storage — Three tray shelves give you dedicated space to organise tools, parts, cleaning products or everyday essentials.
- Folding design — The cart is built for convenient folding, making it easier to store when space is limited or needs change.
- Steel build — Steel construction provides a sturdy, practical structure suited to regular use in work or home settings.
- Easy mobility — Swivel casters allow smooth repositioning, so you can move stored items closer to where the job is being done.
- Compact vertical footprint — At 46 x 30 x 77 cm, it offers useful layered storage while helping conserve valuable floor space.
