

Kseibi 5-Tier Rotating Round Storage Rack - Black, 90 x 30 x 30 cm

Compact storage with easy all-round access

Kseibi · 917152

Highlights

- 5-tier design helps organise items by type or frequency of use
- Rotating round layout offers easy access from multiple angles
- Compact 90 x 30 x 30 cm size suits tighter spaces
- Black finish gives a clean, practical look
- Mesh baskets help keep contents visible at a glance
- Caster wheels make it easy to move when needed
- Raised basket sides help keep stored items contained
- Ideal for workshops, garages, utility rooms and home storage
- Vertical design maximises storage while using less floor space
- Useful for tools, parts, supplies and everyday essentials

Key Features

- Five-tier storage capacity — Five separate basket levels help you sort and store a wide range of tools, accessories or household items in one compact unit.
- Rotating round design — The round rotating layout makes it easier to reach stored contents from different sides, improving access in everyday use.
- Space-saving footprint — At 90 x 30 x 30 cm, this rack offers vertical storage capacity while fitting neatly into narrower work or storage areas.
- Mesh-style baskets — The open basket design helps you see contents quickly, making it easier to locate smaller items without unnecessary searching.
- Easy mobility — Fitted with caster wheels, the rack can be repositioned with less effort to suit changing tasks, layouts or storage needs.
